WARNING, NOTIFICATION OF RISKS - PLEASE READ CAREFULLY

I hereby voluntarily request to participate or to have my minor child participate in the Ski Physical Education Program conducted at Bridger Bowl. I understand there are inherent dangers and risks of skiing that are part of the sport including: changing weather conditions; snow conditions as they exist or as they may change, including ice, hardpack, powder, packed powder, wind pack, corn snow, crust, slush, cut-up snow, and machine-made snow of any depth or accumulation, including but not limited to any depth or accumulation around or near trees or snowmaking equipment; avalanches, except on open, machine-groomed ski trails; collisions with natural surface or subsurface conditions, such as bare spots, forest growth, rocks, stumps, streambeds, cliffs, trees, and other natural objects; collisions with lift towers, signs, posts, fences, enclosures, hydrants, waterpipes, or other artificial structures and their components; variations in steepness or terrain, whether natural or the result of slope design, snowmaking, or snow grooming operations, including but not limited to roads, freestyle terrain, ski jumps, catwalks and other terrain modifications; collisions with clearly visible or plainly marked equipment, including but not limited to lift equipment, snowmaking equipment, snow grooming equipment, trail maintenance equipment, and snowmobiles, whether or not the equipment is moving; collisions with other skiers; the failure of a skier to ski within that skier's ability; skiing in a closed area or skiing outside the ski area boundary as designated on the ski area trail map; and restricted visibility caused by snow, wind, fog, sun, or darkness.

I am aware that natural and man-made obstacles exist. Fencing, equipment covers, signs, rope lines and other marking devices may be in place and mark some, but not all of the potential obstacles or hazards. These markers will not prevent injury. I understand it is my and/or my minor child's responsibility to stay away from marked areas. I acknowledge the existence of these risks and accept such risks on behalf of myself and/or my minor child, whether they are marked or unmarked.

Warning, Risk of Avalanche: Avalanche hazard reduction measures within the ski area boundaries help reduce the risk of avalanches, but can not eliminate the possibility of an avalanche occurring in avalanche prone areas and runout zones open for skiing. I acknowledge the existence of this risk and accept such risk on behalf of myself and/or my minor child.

I am aware that there are inherent and other risks or dangers for those who are in the process of approaching, loading, riding, unloading and departing from chairlifts and conveyors. All passengers who use a chairlift or conveyor shall be responsible for their own loading, riding and unloading. I understand that all persons who use a chairlift conveyor shall be presumed to have sufficient ability, physical dexterity and/or personal assistance to negotiate and be evacuated safely.

I am aware my child may ride the chair lift alone.

I am aware and understand that skiing and using chairlifts and conveyors may result in loss, damage, expense or injury (including death) from these risks and I voluntarily accept such risks on behalf of myself and/or my minor child.

I understand that my minor child shall obey "Your Responsibility Code", Montana State Law and Bridger Bowl Mountain Regulations.

By signing this document you may be waiving your legal right to a jury trial to hold the provider legally responsible for any injuries or damages resulting from risks inherent in the sport or recreational opportunity or for any injuries or damages you may suffer due to the providers ordinary negligence that are the result of the provider's failure to exercise reasonable care.

I have carefully read this Warning, Notification of Risks, understand it, and accept its terms.
